A discretionary service charge of 10% will be added to your bill.

A detailed botanical illustration of tropical plants. In the upper left, a Bird of Paradise flower (Strelitzia reginae) is shown with its characteristic yellow and blue petals. To the right, a large, upright inflorescence of a ginger-like plant (Alpinia) features a dense cluster of small, vibrant red flowers. The background is filled with large, broad green leaves and several unopened flower buds, all rendered with fine detail and soft shading.
